We're out of this world.....

As we rocket into Autumn and start the count down to Christmas Preschool will be exploring space and the planets. This term the children have already enjoyed playing in the space rocket which landed during the summer and dressing as astronauts. They have been learning all about the planets. Please can we have boxes, egg boxes and yogurt pots so the children can build their own spaceships.

Even though autumn is on its way we will still continue to give the children the choice to play outdoors so please can you ensure that they have a warm, water-proof, named coat and outside shoes with them every day.

Each child is assigned a key worker who will spend time getting to know the child, monitor their progress and keep a 'learning journey' of their time with us. If you wish to know who your child's key worker is please ask a member of the team or look at the board above the pegs.

Harvest

On October 22nd Preschool will be visiting St Michael's Church to celebrate Harvest Festival. Donations of tins and dry goods would be appreciated - these will go to Swindon Food Bank for distribution.

As always the preschool staff team have been working hard to put together an exciting term of activities. As well as travelling into space we hope to take the children on a visit to Ramsbury Estate. This local farming business offers schools the opportunity to explore where their food comes from. We will keep you informed of the dates for this trip.

At Christmas we have a trip on the Rose of Hungerford planned and a chance for the children to meet Father Christmas as they travel along the Kennet and Avon Canal. We will also perform our annual nativity play as the children learn about the Christmas story. The nativity play will take place on Monday 17th December, so please put the date in your diary. We will be in touch about costumes nearer the time.
